

# SUMMER PARTIES

## July 2019

Summer Family days took place at all our homes during July. People supported, their families, friends and staff all came together to celebrate and have lots of fun ... and as you can see by the photographs, everyone had a wonderful time.

Windsor Court hosted a VE Day inspired party, taking their home back in time to 1945 to celebrate the war being over. Everyone loved dressing up (especially Shannen and her team) and re-living the past.

A Cowboys and Cowgirls theme was chosen for their party by the people supported at Ferndale Lodge. Using up-cycled, re-cycled, renovated and borrowed items, Wild West props - Teepee, Cactus and a Chuck Wagon - were created, painted and decorated by the people supported. They also received donations of surplus items from Hade Edge Gala which ensured a good time was had by all.

And their creativity did not stop there as, after the party, they were able to recycle the props which were sold - the proceeds, Kirsty says, will be put to good use!

Thanks to all supporters, staff and people supported who made this a truly memorable day - and not forgetting the 'clean up' team.

Fixby Lodge was transported to the Australian outback for their 'I'm a celebrity get me out of here' themed event and, as you can see, it was a great success.

Everyone enjoyed taking on the challenges of the bush tucker trials to win the golden stars - Dominic's brother Jordan taking the crown and Dominic and Paul winning the Dingo Dollars from Kiosk Keith. Everyone then partied at the after party with dancing and karaoke.

## More Photos from ...

... Cranmer - whose family, friends and staff were invited to an Ascot Day involving

'Pimms' and 'horse racing' related games;

Beckside - where 'motown' music was the order of the day;

Hampton - where everyone was invited to come along and have a 'good time' - and they did!

and Langley with a bright colours theme and where everyone danced to ABBA songs.
