## About Crafty Starz

Crafty Starz is a business operated and managed by people with learning disabilities living in Horizon Healthcare Homes. Each member contributes to the business on an individual basis and collectively the team create quality tile mosaic products, other quality craft products, plants and other decorative garden items. The aim of the Crafty Starz is to provide a sense of purpose through meaningful activities and achieving goals for each person. All profits from the business are shared equally between its members.

## Coasters & Table Mats

Our coasters and table mats are the more popular products due to their versatility. They can be used for hot plate mats, plant stands, spoon holders in the kitchen - the possibilities are endless!
